- 
- How many time do you spend in a day / in a week (average time) with PILOT 1?
  - What did you enjoy most?
  - What did you like fewest?
  - We used the group function for group A. and group B. so a group cannot see or read what the other group is doing. What do you think about this?
  - Which resources and/or activities do you find helpful for the next e-tridem course?

- Which resources and/or activities are dispensable for the next e-tridem course?
- Some more comments?
